“ *Though a few years in age apart, Bob and I grew up together, along with Diane during our childhood. Life put distance between us and for no particular reason, we naturally lost touch. The news I just discovered today hit me hard and I said a prayer for Bob and raised a toast to the Akins family and all the fun memories I had with them while fishing, riding motorcycles, working on cars,... And just being Pennsylvania boys in the 70s. John K.*
