“ Dear Dean, Susan, and Roberta,

Your dad and I had some great times together. Memorable was the trip to New Orleans to watch the Steelers defeat the Vikings in Super Bowl IX. Four guys of your dad's size piled into a Fiat 124 and drove for 27 hours straight to get there. We had a great time on Bourbon Street which then made the game anti-climactic.

But the most memorable was the trip that we all took to lake Powell in Utah then subsequently going to Los Alamos to visit your aunt. The boys stayed on my friend's houseboat while the rest of us stayed at the campground. Totally unfair according to our daughter!

Your dad and a number of other cronies went to the American Legion in Jeanette every Wednesday for years and years until Stan Pavlica passed away. Great memories.

Our deepest sympathy and condolences to all of you. Stay strong.

“ Bob and Gwen were neighbors and friends to my parents for many years. My favorite memory was of both couples fretting over the safety of a pheasant that visited them and became almost a pet. I believe the pheasant was named Oscar. My parents moved away in their later years and Oscar wasn't seen for a long stretch of time. Sadly my dad passed and Faulks told us the pheasant returned the next day. They thought maybe dad was telling “goodbye” and I was comforted.

I pray Bob and my dad are laughing over a beer now with Oscar hanging out with them.
