“ *I am so sorry for your loss Kathy. I remember when we, Bob, you, Sandy and I would visit their home and when Bob would play the drums for us when we were seniors in school. I have a million wonderful memories of Bob and all of us together. Linda Bonney James.*

“ *Karin and I are sad to learn of the Bob's death but find comfort in the promise of Scripture that to be absent from the body is to be present with the Lord. What comes to mind as I reflect upon Bob's life is Matthew 25:21
"Well done, good and faithful servant"
When I became pastor of Calvary Baptist in 1976 Bob was a young adult actively involved in the work and worship of the church. His family members were regular attenders at Sunday morning service. His boys attended Sunday school and youth activities as they grew older. He was my daughters Sunday school teacher. He was always present in the choir.
Bob continued to serve his Lord and the people at Calvary till the Lord called him home. He served in the music ministry, the Christian education program and on the Deacon Board. He was an inspiration to me and an encouragement to others, His contributions are immeasurable.
Now, he has gone on before us and received the commendation of his Lord.*

“ I was a young man in Mr. Bob Knapp's sunday school class at Calvary Baptist Church. While I can not remember with clarity the lessons that he taught, what I can remember is his smile and genuine affection. It was 100% clear to me that he really cared about me and that he enjoyed being our Sunday morning teacher. Bob is with the LORD now and he is seeing the impact he made on the lives of those around him. I have been a teacher for 34 years and every student that I've taught has had some of Bob Knapp impressed on them through his influence in my early years.

God bless his wife and family as they deal with the loss of that great smile!

“ I had the good fortune of working with Bob at Elliott back around 1980-1987. He was always upbeat and more than willing to help out when needed. We also played some tennis together and he won more than he lost. My condolences to the whole family on the loss of a great man.

“ Bob was instrumental in my personal growth in understanding Aerodynamics and Compressor Design. Also of note I considered him a friend and fellow Christian for the nearly 10 years we worked together at FSE. May God give the family strength during this difficult time.
