“ *Bob meant so much to so many people. He was kind, knowledgeable, always willing to lend a hand, funny as could be, and just plain good company to all who had the pleasure of spending time with him.*

Helen and Lois, I hope all of your memories and the knowledge of how important Bob was to so many people bring you some comfort in the time ahead.

“ *He was a man who cared for all and was loved by all. He mentored me in various church activities. Although I was never in his classroom in school, I am sure he was a teacher with a sense of humor and enthusiasm, patience and dedication. I know he was a caring man who shared his gifts with all. My deepest condolences to Helen and family. - Keith Milton*
