“ Dear McKinley Family,

On behalf of Hydra Extruded Solutions IT team, I'd like to express our deepest condolences. We were extremely sad to hear the news. Rob was a great team member for us (Shared Services' team). He has been a wonderful contributor, a great friend for many and just a great person to work with / hang out. Personally, Rob worked for about a year. I can say from my experience, that Rob was a very hard working and always enthusiastic to jump on any work you give him. He was such a welcoming attitude that I really appreciated his work.

We are extremely sad and sorry for your and our loss. Rob has been with Hydro (old Sapa) for more than 10 years that I know of. His loss is a big one for Hydro. He will be missed and remembered.

On behalf of our team, once again, very sorry for the loss. A small contribution from us to Rob's charity - Bedford County Humane Society, which is such a wonderful cause.

Rest in peace Rob...Hydro IT will miss you !

“ Dear McKinley Family,

Rob has been a colleague and friend for many years at Alcoa, Sapa and now Hydro, where I worked closely with him on many ERP projects. I was terribly saddened to hear of his passing. Simply heartbreaking to say the least.

Rob will be missed immensely for his hard work, dedication and true friendships with so many. He was always willing to jump in and help, no matter the circumstance, and always went above and beyond. Truly a really good guy and co-worker.

Please accept my sincerest condolences.

Rest in peace my friend...
