

Roberto Molina

July 14, 1939 - May 16, 2023

Roberto Molina departed this world on May 16, 2023. He was born July 14, 1939. He came to the United States from his native country of Honduras when he was 17.

Roberto started his career in New York City repairing elevators. His passion for understanding all things electrical and mechanical eventually led to a long and successful career as an electrical engineer, ultimately taking him to countries such as Malaysia, Iraq, Venezuela and Algeria.

He had an inquisitive mind and a big beautiful smile. He easily made friends. He was strong, intelligent and independent, and tried to make the best of situations. He enjoyed being on boats and visiting new places.

He will live on in the hearts and memories of the many people who knew him. He is survived by his wife Rosemarie; His children Cherie, Shelley, Denise, Robert, Miguel, Manuel, and Danielle. He also leaves his 11 grandchildren: Sarah, Jared, Natalia, Robert, Symantha, Iain, Ben, Neel, Veer, Vincent and Rose.

Donations can be made in his memory to Parkinson's Foundation for Parkinson's Research. A Memorial will be held this summer with family in Florida and then in Honduras at a later date.
