

Rochelle L. Hager

November 30, 1989 - March 29, 2021

Rochelle L. Hager, age 31, of Waterville, Maine, formerly of White Oak, PA and Vero Beach, FL, died tragically on Monday, March 29, 2021. She was born November 30, 1989 in Pittsburgh, a daughter of Dean and Sandy (Bendinelli) Hager of White Oak. She was known as “Shelly” to family and “Roe” to her TikTok friends. Her infectious smile is what made people gravitate towards her. She was a huge advocate for helping others with addiction and had been clean for over 10 years. She liked to say “it takes zero dollars to be kind”. She graduated from La Cordon Bleu Culinary School and loved working in the restaurant industry. She worked at the Antonelli Event Center and the Jacktown Ride and Hunt Club in North Huntingdon before moving to Maine to be the Executive Chef at the Woodlands Senior Community. She is preceded in death by her grandfather Lido F. Bendinelli and her pet dog Keylo. In addition to her parents, she is survived by her sister Deanna Hager of White Oak; her fiancé Brittanie Lynn Ritchie and Brittanie's children Jensyn and Prestyn; her grandparents Elizabeth G. Bendinelli and Ralph and Norma Hager; also aunts, uncles, cousins, her pet dogs Diesel and Ty, and her cats. Friends and family will be received from 2 to 5 p.m. Saturday, April 10th at the William Snyder Funeral Home, 521 Main Street, Irwin, 724-863-1200 where a blessing service will be celebrated at 5 p.m. In Lieu of flowers, memorial contributions can be made to either www.proudhaven.org or www.alphahouse.org to help others in need. “ *Finding Roe on Tik Tok after the year of my dad passing in 2020 and once I found her tik tok page Roe always made me laugh. Her ever present smile and pranks that her and Brittanie played in eachother just made my day. It broke my heart to wake up in the day Roe passed away to Brittanie crying on tik tok i was heart broken for Brittanie because you could tell how much Roe and Brit loved eachother and even though itwasnt my heartbreak Roe was sunshine on a cloudy day. Always had me smiling after 5 relatives of my own passed away in 2020 i was happy again. Now its not goodbye its until we see you again and same goes for Roe's loved ones and friends and tik tok family.*

“ My heart is broken - TikTok will never be the same. I didnt personally know Roe but spent hours with her during her lives especially in the mornings while prepping food at her job. Then her lives with Brit. I feel like I have lost family. Her smile and laughter was infectious. She was so funny but made sure to put the ones in their place when they disrespected her or her family. She was all about “Do better as humans” and “treat everyone with kindness”. She brought so much light to this world! I found myself needing her content during my darkest times! Her face always lit up when she spoke about Brit, looked at her with such love and devotion - @ her parents - thank you for raising such a beautiful human with an amazing heart! @ Brit I know today will be so hard on you especially afterward during those times you find yourself alone. But you gave her something she had always wanted - per her own words You gave her love and stability which made her grow so strong and she gave you the same in return. It was so evident how powerful your love is and special your relationship is to both of you. Take that - let that be the reminder that she is always near you! She will always be around you! Rest easy Roe - you will be missed and we will take care of yours with love and support! Thank you for all the laughs, the tears and the love you showed all of those who supported you! Go and sing with the Angels and continue your journey! God always takes the best too soon!

“ Shelly, where to even start. We grew up in diapers at pre school. As we got older we parted ways for a little until we got to high school. Who would of thought that we'd be back in school together and we'd pick up though like we had never parted. After high school we went out separate ways but we still always managed to check up on each other social media etc. you went down a tough road in life. You struggled and battled a lot but that never stopped you. You never allowed that dark cloud and hitting rock bottom stop you in life! You overcame the struggles and found yourself and seen that you were better then what you were allowing in life so you changed for the better. Fast forward you met the love of your life Brittany which I watched through social media unfold and could tell how happy you were from way back here in your old home in vero beach, FL. One day I happen to be scrolling through TikTok and there you were again running across my phone and I'm like omg it's Shelly! Your smile has always been one to light up a room! Words can never describe what it's like to loose someone but you are the best guardian angel your fiancé and family could ask for!!! Shelly you will always be remembered and until we cross paths again. Love you girly. Keep that smile shining down on us from up above! ❤️

“ *What a shock! I'm still in utter disbelief. I had the opportunity of working with Shelly while I worked at the Phoenix House. Some people you meet passing thru life place an imprint on your heart. She became someone who brightened up the place. They always tell you not to get close to the clients while working with them but that was impossible with her. She was so full of energy and loved to cut up and have fun. We had lots of talks when a lot of clients were in bed talking about her highs and lows. She succeeded and did great things. I'm very proud to have known her, she will be greatly missed.*

Tanya Jones-Hose - April 06, 2021 at 04:08 AM

“ *I didn't know Roe personally, but have followed her and Brittanie since the beginning of their journey together and mine as a Tik Tok watcher. Her smile was so contagious and her words of wisdom "It takes \$0 to be kind" will always remain with me. The day this happened and I seen the videos, all I could do was cry and cry and not stop. Who would have known that a total strangers passing, could and would, affect someone so much, but it did. My condolences and heart go out to her family, and Brittanie. She will definitely be missed and never forgotten.*

“ Roe didn't know who I was, but I loved seeing her on my For You page on Tik Tok. I loved her saying “It takes zero dollars to be kind” I'm going to live by that for the rest of my life. One thing I'll always regret is forgetting to follow her before she passed. I follow her now and watching her videos helps with the grief. #RoeStrong -Michelle aka @michellemartin1995 on tik tok.
