“ Laura, Karen, Salena and family, I am thinking of you and am very saddened to hear about the loss of Rob (aka Mr. Robinson, from my childhood). I have such wonderful memories of my sister and I going to Laura and Rob's house to play with Salena. We have always been treated like family and Rob will be deeply missed by everyone. I treasure the memories.

“ Laura, Karen, Salena and family, I am so very sad to hear of your loss. Rob was such an incredibly kind person and neighbor when we were growing up. He made me, my sister Amy, and brother Jeffrey feel like family. I remember going over their house all the time when we were younger to play with Salena. We always felt welcomed. Even though I live many miles away now in Texas, I always tried to stop by and see Rob and Laura when my sister and I were back in town. It sure will not be the same now driving past their house when we are back in town and not seeing Rob. My deepest sympathies to all of you.
