“ *My deepest condolences for the loss of a great teacher, mentor, and father. Mr 'K' was an outstanding teacher in the classroom and in life. My memories are filled with times at the cabin, helping with cub scouts, working in the wood shop, drives in the Oldsmobile with the roof down, and in class at Norwin H.S. He made the world around him, and the people whose lives he touched, a much better place. He will be missed.*
