“ I simply cannot believe this. I just found out Ron is gone literally 2 minutes ago!! I am in shock. He was a dear, dear friend to me, probably one of my best friends even though we haven't seen each other since our days together in the USAF at Pope Air Force Base. We were very close there, really best friends. I cannot get my head around this. I am beyond sad to hear he's gone. I will miss you so much buddy, your friendship meant the world to me and hopefully you knew that. Love you man and see you on the other side. <3
Condolences and sympathy to the family.

“ Ron was such a great guy, not only did I go to high school with him, but I ended up marrying a man he was in scouts with. My husband remembers him dearly. We both send our deepest condolences to his entire family. We have only been In touch through Facebook lately, however his life and humor will always be remembered. God bless you and keep you dear friend, may you rest in peace.
