“ *Ron and I played alot of golf together over the years,he was a friend plus a good golfer. I was waiting for him today so I could update his golf GPS. It was a shock to get a call late today about my good friend death. We shared many stories about guns and hunting and he was always there for you if you need help. I will miss him, the one thing I won't miss is when he would beat me on the golf course.*

“ I have known Ron for countless years as a member of Herminie #2 Game Association.

I will definitely miss Ron as a fellow avid pistol shooter. I have enjoyed many years of our time shooting together, advising together, and mutual story telling. Together we were often ready to offer advise on shooting, reloading, and bullet casting. His guidance in bullet casting was greatly appreciated for a novice.

I have and will always value the friendship and humor that I shared with Ron through the many years ---- he will be missed.
