“ I knew Ron from Redstone as I am an activity assistant. I would like to say that I "worked" with him because he would always help me get the gang into music hour. I would play music and try to get them to sing and clap along and if Ron was there, he would start dancing with me! What a great guy! I picture him with a smile on his face always. Never saw him without a smile. Delightful person. I will definitely miss seeing him there. My condolences to the family. Mary Staub
