“ I worked with Rosann at Life's work very briefly and when I say her kindness stayed with me since the day I met her , that would be an understatement. I just happened upon this and I am trying to process that such a light is no longer here on this earth. May you her family and friends find some comfort in knowing that her light did shine and her kindness left a lasting imprint on many.

“ Rosann was a wonderful colleague to work with at SMC Business Councils. We had pep talks every morning before we dove into the day's work. Her laugh was contagious and we supported each other during life's ups and downs. We need more people like her.
