“ *Me and my mom and brothers were the only ones there for her we took care of her it's funny how people think they can just care when she passes like yall were not there so stop pretending yall care!

*It's a time to grieve over the loss of Aunt Rose and her family. This isn't the place who took care of her etc. We all loved here. May she rest in peace and know she is not suffering anymore. All my love to Rob and all the family.*
