“ *Aunt Ruthie. I have many fond memories growing up as a child seeing my cousins, aunts and uncles every week if not more often. I remember having dinner at your place with you, Bobby, and my mom. Dinner was great and the company even better. You have left everyone you touched with beautiful memories. I know you are now in a peaceful, carefree place with God and loved ones. My condolences to your children, grandchildren and great grandchildren. Lots of love always. Your niece,*

“ *Its been a rough couple of years for all the family. I enjoyed going with Bill for our visits with Ruth on Sundays. She had a wonderful and sometimes surprising sense of humor. Always tried to make US smile. I will miss her. To live in the hearts of others is not to die. Please accept my deepest sympathy and I am sorry I cant be with you all. Love*
