“ *My deepest sympathy to Ted's family. The Garden Club of Forest Hills has missed Ted since his retirement. We learned a lot from him and he was always so willing to help us. Of course we also had to listen to his jokes! Thank you Ted.*

“ *Ted was a conservation superman in Forest Hills. Those of us who had the opportunity to know him appreciated his humor as well as his knowledge about trees and environment. I was among the lucky ones. I met him when I joined his Tree & Shrub Committee and was charmed by his smile and willingness to help. We will continue to miss him. Sincerest sympathy to all in his family. . -- Carolyn Reuter*
