“ Sandy was my life long friend. Her mother m and mine were best friends first.our families would go on vacations together.we would spend the night at each other's houses.every time we heard let's twist again like we did last summer we got up and dance.One time we were talking about how sports change with seasons and Dave yelled you better stop or punching season is going to start. I guess we annoyed him.lol.Sandy loved to dance and would hold on to the fridge handle listening to music..We were roommates when I came down to dc.She and Bob moved across the hall from jack and she would watch Johnny for us and later I watched Danielle for them..Sandy you will be so missed all my kids call her aunt sandy .God bless you I will see you again. So glad your pain is over and now you are with our loved ones in heaven.
