“ Thanks aunt Sarah (even though your my cousin) for all the good things that you have done for your family, close friends, and all the people that you made happen with the various blankets you made for them You made a difference, and that is all we can ask sometimes. Will miss you and I enjoyed our conversation this past summer. I am sure lots of your friends and relatives are waiting for you and are glad to see you once again.
My condolences to the immediate family. RIP Aunt Sarah..
