“ *Scotty - Stunned when I read this news in the W&L alumni magazine. To this day, I remember the bone rattling hit Scotty put on me when I tried to show off. The coaches had let me move from O line to play scout team fullback and throw some muscle at Scotty. Didn't quite work out the way I planned. One of the few hits I remember you delivered in what was essentially a walk through practice.*

The world will miss that intensity and energy. One of the nicest guys I played with -- off the field. God's peace for your family and friends in PA.

“ Scott was an avid Pitt sports fan and a great colleague for Pitt grads here in the Washington DC area. His energy, enthusiasm, and personal charm made him instant friends with many of us in the Pitt community. On behalf of the Chesapeake and Potomac Pitt Club I send condolences to the Williamson Family. Scott will be missed.

“ Scotty -- I will miss you bro. We had so much fun playing ball on opposite sides of the D-line. It is hard to believe that you are gone. I was just trading texts with you a few weeks ago about W&L game film that you found in your garage. I know you are in a better place now. Praying for your family during this difficult time.
