“ Uncle Sta,,, He was such an amazing man. I loved getting Steeler messages and videos from him. I remember when he came to Texas and we all went to the Steeler game, and tailgated. We had so much fun. All of our friends immediately fell in love with Sta. I don't think he every met a stranger. He was so funny, caring and such a great man. He will forever be missed. Tina, all of my love to you. Your dad loved you so much!

“ *Sta was definitely one of the greatest guys Rich and I had the pleasure of having in our lives. We always looked forward to his calls and especially the Christmas cards. He was so kind and generous to all our PA families.
I am sure Rich will be waiting to greet him with open arms and the first words will be Go Steelers!
My Condolences to the entire family and especially Tina are sent with love and everlasting love for all.

“ *Sta was my younger brother and as we became adults, we developed a special bond and relationship ❤️ Every pillow in our home with some kind of saying on it came from him 😊 He also loved our yorkie Megan and when she crossed the rainbow bridge a few years ago, he was devastated! So many memories of a brother who was also one of my best friends and who will be missed more than I can even explain 💕😭❤️*

“ STA and I were 1st cousins. When very young we would travel to visit my grandfather on Easter. The Wojton home was always a stop on the Easter visiting circuit. The attached photo is STA and me looking pretty dapper. Although STAs bow tie definitely outclassed me. We didn't connect again till a few years ago through Facebook. Enjoyed our exchanges. You will be missed Cous.
