“ Stephanie, u will be missed by so many. No matter what, u were always loved by everyone including me. Thank you for the years of happiness u brought to my brother, and the blessing of my niece Ava.. Youll never be forgotten. You are at peace now, no more pain and suffering, though we wish u were still with us as you were way to young to go, but now you can rest. I promise you, even though i know you will be looking down from heaven and watching over Brandon and the kids, i promise that i stick by my brothers side and help all i can with him and the kids. If my brother starts to slip, and i cant be there, make sure u whisper in his ear and tell him to stop and think and straighten up or ull kick him in the butt. Love you sis, i will miss you, these past couple years, u taught me something even though i didnt spend much time with u, which i truly regret, but your fight thru all this showed me that no matter what, you keep up the fight.. Ill take that with me and always keep u in my heart.... Love you, rest in peace..
