“ Aunt Sue is always a constant in my childhood memories.. From weekend stays at the cabin, to mini week long vacations at her house in the summer. Inky sitting on her lap constantly and growling at me, and the way she took everything in stride. I don't remember any family wedding or graduation I was invited to that she wasn't there. She believed in family. My heart and prayers go out to Uncle Buck, Bryan, Bobby, and families. God bless you all. I'll never forget her.

“ Aunt Sue never missed a single thing she was invited to no matter how she was feeling....graduations, showers, weddings, birthdays you name it and she made sure she was in attendance. That always meant a lot to me and she wasn't local to Uncle Bucks side of the family so it was a drive. She will be very missed. Many prayers to Uncle Buck, Bobby, Bryan and her extended family ❤️❤️❤️ Cyndi Watson

Dear Bucky and boys, So much good to say about Sue, so very glad to call her a good friend all the years we lived in n. Huntingdon. No one could run a bake sale at the school, as well as she could. Her apple pies were out of this world.. Her many wonderful deeds she did for the Cub scouts and no better leader to do it.Do u remember when u two retired from being cub leaders the song we all sang,,those were the days...Those truly were the good days of being part of your families lives..Truly is a sad day for everyone who knew her . I was truly blessed to have known her and to have called her my friend..She will always have wonderful memories in my💖 heart.
