“ Susan, I love all of my cousins but you were special to me. I always thought of you as a little sister since you were only 2 weeks older than my sister Julie was. I will always remember your smile and laugh and how well you helped take care of your Mother. I know in my heart that you are with them all now and they have welcomed you with open arms. I am glad that you found happiness again with a nice guy like Ed. I will always remember you with fondness and love. Nancy

“ *Sue, I remember all the happy and cherished days I spent with you and the rest of my cousins at your dad and mom's house. I am fortunate and blessed to have such a wonderful family, and there is not a day that goes by that I don't feel that love around me. Sue, I am so sorry that you are not here with us. Rest in peace, my beautiful cousin; we will never forget you. Your memories will remain with us forever. Sue, your beautiful smile will be missed, and you will stay close to our hearts. Love you.*
