“ *Ben, Jennifer and Greg, I am so sorry for your loss of such a wonderful and beautiful wife and mom. I knew your parents when they were dating and we all got together every Saturday night. I have never forgotten how much those get togethers meant to me and they were so fun. Sue was a wonderful friend and though it has been years since I saw her, I know I could have called her and she would have been there for me. I am sure you all will miss her so much as will everyone whose lives she touched. My prayers are with you all.*
