“ It’s been a year since you left us. I miss you so much. I found an empty bottle of that cappuccino Starbucks drink you used to like in my aisle today and it made me think of you. I’m sad I didn’t say goodbye but I’m thankful for the time we spent together. I will never forget you. Work will never be the same. I’m a little late but my condolences to the family. Love your friend Missy G
