“ *George was a fraternity brother of mine .We enjoyed his wonderful sense of humor,and his determination to get good education. All of Alpha Chi Rho were saddened to hear of his passing. He was a founding member of the crows a we were known. Please accept our sincere sympathy. Regards John Turnbull.*

Thank you Mr. Turnbull. My Dad was a very loving and happy man who gave a lot of his time to others as most pastors do. He often talked of his days in Alpha Chi Rho fondly. As we near the second year of his passing we miss him more everyday and his positive spirit and way of caring for others and teaching them about our Lord.

“ *Dad and Grandpa Hanko would take me for wagon rides in Westmoreland City picking berries as we went all around town as a child. These two men were the best men I knew who loved family and to have fun. I truly had one of the most special childhoods with having these two wonderful men in my life❤️ I love you both always, your Debbie. I thank both of you for all the love you gave me.*
