“ *Tom & I shared a love of mechanics & fast cars. My father taught me about mechanics, however Tom took my education to the next level with rebuilding Willies Jeeps, brazing new metal in, switching out motors. I was a young teenager when I first met Tom, but he always treated me with respect as an equal. I have fond memories of Kathy making us a cheeseburger & fries after a day of wrenching. Life here on earth is way to short & I will miss Tom greatly! Kathy, Kerri & Tommy, I am so sorry for your loss.*
