“ Vic,
You left too soon, without a good-by leaving my heart to break and cry. Though left behind I'll struggle through until we meet again beyond the blue.

I miss you so much already, Vic You'll always be in my heart, baby brother.

*Love you,
Linda*

“ We sure had some great times growing up in Green Valley and put together quite a few "events". Hadn't seen much of Victor since I joined the Navy but always considered him one of my best friends and no matter how long it had been since we last meet, we could talk just like the old days. He will be missed.

*My dear baby brother. I cannot believe you have left us so soon. Your earthly suffering has passed. Those you left behind, our suffering became greater with the news that you were called home to take your place that God has prepared for you.
Our sister, Linda, told me the color pink is for love, this is why I chose a pink candle to light in your memory. Rest peacefully in the heavenly gardens, which you can enjoy and not have to tend to.
Matthew 11:28-30
"Come to Me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from Me, for I am gentle and humble in heart, and you will find rest for your souls. For My yoke is easy and My burden is light"
I love you Vic, more then you ever knew.*
