“ *I am saddened to hear of Uncle Bill's passing. I remember fondly going to Aunt Jose and his house as a boy and when my Grandfather Joe passed away I saw and had a very touching conversation with Bill and his family who were very consoling in Joe (Jose's brother's passing). Bill will be missed by his loving family and all of us.*

“ *I was saddened when I learned of Uncle Bill's passing. He had a full life, and will still be missed. He can now be with Aunt Josie, and have their anniversary dance forever. Nancy*
