“ As a young CAT Rep just moved to PA, I met Bill in 1979. He, Gary Beal and Dick Fait took me under their collective wings and helped me to survive and grow into a "seasoned" rep. They have all remained dear friends through all these 40 years even though I have been in Kansas since 1982. Bill and MJ invited me to many pool parties and Bill and MJ's home was where I grew to be a huge Steelers fan even to this day. We always managed to get our jabs in through the years when the Chiefs played the Steelers, even though I didn't care who won! I will cherish the many fond memories we created in a short 3 year period. Jon Jantz, McPherson, KS
