“ *I was saddened to hear of Bill's passing. He was my older cousin and my hero. Between his planes, neat cars and motorcycles, I was infected with the excitement of his interests. I raced motorcycles until I was 43, and have always loved exotic cars. It was always an adventure to visit Aunt alma and uncle ab. My dad was dick shiffler, ab's youngest brother.all of my best to his family. Bill was one cool cousin. Love, rick shiffler 412-215-3613*
