

William Martin Trimble

January 25, 1976 - May 20, 2023

William Martin Trimble, “Billy”, 47, formerly of Madison, PA, was called home to God on May 20, 2023. His last two decades on this earth were not always easy and we rejoice that his soul has finally found peace and rest and that he has joined our Lord and Father in heaven. He is without a doubt having fun with family and friends who have left before him – debating intellectual topics, playing games and sports, and telling jokes as only he could. He was a proud graduate of Norwin Sr. High School (class of 1994) and of Allegheny College (class of 1998) where he graduated with honors as an Economics major. He was a life-long learner and loved being helpful to others and caring for the family’s many canine companions. His adult life was challenged by untreated mental illness and addiction that he always thought he could out-smart and we believe he truly wanted to be rid of so his true heart could shine. His death is freedom from this torment and now he can love and protect us from heaven. Billy was preceded in death by his father, David Blaine Trimble, paternal grandparents C. Blaine & Gertrude Trimble, and maternal grandparents Roman & Helen Uram. He is survived by his mother, Linda (Uram) Trimble and sister Beth (John) Davis. In lieu of flowers donations can be made to The City Mission (Washington, PA) or The Union Mission (Latrobe, PA) both of which were there for him when he needed them most. Rest in peace Bill and we will see you on the other side. Arrangements are being handled by the William Snyder Funeral Home, Inc. For online condolences please visit www.snyderfuneralservices.com
