“ *It has been many years since seeing Willie but will never forget the fun we all had at the Fourth of July picnics and the family Thanksgiving dinners at the Adams House then Holiday Inn going into Pittsburgh after to see all the Christmas lights. I also enjoyed babysitting for you watching Holly, Bonnie, Willie and Cindy while you both went out and got some much needed fun time. I also will never forget the time I locked myself out of my house and called him knowing he could "break" into it for me. He was a wonderful man and know how much the fire dept meant to him...when that siren went off he was there to help others. I will miss him but have wonderful memories. I hope the family can find peace in knowing that so many people loved him and respected him for all he has done.*

“ My favorite memory of Wille is when after a family Thanksgiving dinner at the Adams House the “older” cousins would drive us into Pittsburgh to view the unveiling of the Christmas windows at the department stores. It was the best tradition. Close behind are the great picnics at their house – volleyball, the swing (an early version of today’s ziplines), great food, watermelon chilled in the spring house, and being thrown in the pool. I haven’t seen Wille in years, but I do cherish those memories. I pray that our great God will bring peace to his family.

“ *I never knew Mr. Sensenich personally, but I work with his daughter Holly Jo and I know that he had to be a great role model and a good parent as she is an outstanding citizen. She is hardworking, considerate and always willing to help others. Those qualities come from the home. The family has my deepest sympathy.*
