“ I remember hanging out at your house as a kid and enjoying her great cooking. My favorite was her fried pork chops with gravy. They were cooked in lard and were so good. I still think of her when I make them now (minus the lard). May you rest in peace and your family have a lifetime of memories.

Thank you for helping us through mom's final journey. It is incredibly difficult. Mom loved her nurses, Shari and Lisa who bathed her everyday. 💜

“ I remember when I was little I went to spend a week at your house. I got so homesick that I cried and literally got sick. Yolanda sat up with me all night and we played games and talked. I was fine and stayed the whole week. She was so sweet. The house was beside a Golf Course ,if you all can remember . We had a lot of fun getting golf balls and selling them back for a quarter. Rest In Peace Yolanda ... Love You !!!!!
