“ Zak showed up at my place in Jeannette one day outta the blue... Wanted me to design his first tattoo, but keep hushed it was a surprise to everyone. A rather large piece for his arm... Half sleeve! I started n finished the drawing and stencil the next day. He was so excited... I think I was a little more than him... To tattoo a half sleeve on my nephew. Big buck with pines in background. We hung out that day all day! When. He presented it to me... I miss you buddy. I love you zak! Your memorial sticker is center top of my Harley tank... We never got to take the ride together bud.... But we'll go when I see you again! In my heart forever Zakky!!! Uncle Wolf(Russ)
